BROWN PAPER BAG COOLER

This cooler bag really is the 'cool' way to keep your lunch fresh! While it looks like an iconic brown paper bag, it is actually made of strong laminated non-woven material and lined with an aluminium lining to seal in the cold and keep your food cool for several hours. With a special front pocket for easy printing, it offers a large decoration area to promote your brand.

LUXE BAG SERIES

Travelling in style! The Luxe bag series is made of a subtly textured vinyl and offers all the functionality a seasoned business traveller could wish for. Very suited for debossed logos which will give a luxurious tone-in-tone touch to your brand. Both bags have multiple pockets to stow your belongings. The messenger bag has padded compartments for both a 15" laptop and a tablet.

ITS ALL IN THE DETAILS

The subtle texture of the vinyl material give these bags a luxurious appearance and make them sturdy and very suitable for travel. The branded zipper pullers add value without taking away the attention for your logo.

THOR DRINKWARE

Did you know you have multiple levels of drinkware insulation? The Thor drinkware series has copper vacuum insulation, the best way to keep your drink cold for 24-48 hours or hot for 8-12 hours. No more tepid coffee on your morning commute! And when you fill the bottle with a cold drink and ice cubes through the convenient wide opening, no condensation will develop on the outside. And the matt powder coating makes it look fabulous too!

SILVERTON INSULATED JACKET

The modern fit Silverton Packable Insulated Jacket combines a trendy retail look with lots of interesting features, starting with an **LED** zipper pull. It's also got an **ECHOHEAT** lining and water repellent finish for comfort in cold, damp weather. And when you're in the car or on a plane, you can pack it up and stow it away in a stuff sack built into the left pocket.

ECHOHEAT™

delivers warmth and superior regulation of body temperature. The thermal technology regulates your temperature by reflecting and retaining heat.
